Inc. for a General Increase in its Rates )  
and Charges for Telecommunications Service )  
in South Carolina. )

On June 14, 1990, the Public Service Commission of South Carolina (the Commission) issued Order No. 90-611 in the above referenced matter whereby the Commission, inter alia granted certain rates and charges for intrastate telephone service provided to the public by Contel of South Carolina, Inc. (Contel or the Company) upon proper Application, due notice and a public hearing. Order No. 90-611 required the Company to file within thirty (30) days of the effective date of the order, tariffs in accordance with the Commission's findings embodied in the order. By letter dated June 25, 1990, the Company submitted to the Commission certain rate schedules and tariff changes in accordance with the terms of Order No. 90-611.

The revised rates of the proposed tariff sheets reflect the approved revenue requirement increase detailed in Order No. 90-611. Contel would like to implement the local exchange rates

on a billing cycle basis and that other rate changes will be implemented as soon as practical if the Commission approves the filed rates and tariffs. The Commission has reviewed the rate schedules filed by the Company and finds that the rate schedules and tariffs fully comply with the requirements delineated in Order No. 90-611 and that the Company should be allowed to implement the local exchange rate changes on a billing cycle basis and that the other rate changes in the filed rates and charges will be implemented as soon as practical by the Company.

IT IS THEREFORE ORDERED;

1. That the rate schedules and tariffs filed by Contel of South Carolina, Inc. be, and hereby are approved.

2. That this Order shall remain in full force and effect until further Order of the Commission.
